SUBJECT: Temporary Closures of Watts Bar Lock, Tennessee River Mile 530.0

A daily series of temporary closures of Watts Bar Lock will occur on the 9th June through 11 June 2008. The closures will take place during daylight hours and should not exceed 10 hours each. The lock will resume normal operations each evening and continue lockages until the next morning's closure. During these closures, divers will be inspecting the underwater portions of the lock walls and other components.

This project has no auxiliary lock chamber to pass traffic during this period.
